Chicago Park District Code – Chapter 13

CHAPTER XIII. - DISTRIBUTION OF SERVICES AND FACILITIES THE IMPLEMENTATION COMMITTEE¹

Section A. - Basis for Distribution²

- A. 1.** The Chicago Park District shall distribute its resources, services and facilities, in a fair and equitable manner throughout the district. Furthermore, the Park District shall distribute funds for all its activities, including city-wide and specialized facility construction or improvement, land acquisition and other construction in a manner which does not discriminate on the basis of race or national origin as between the community areas of the city.
- A. 2.** During the annual public budget hearing the Park District will publish an annual and multiple year capital improvement plan. The capital improvement plan will be based, in part, on needs assessment and engineering data as well as public commentary. Preceding the presentation of the capital improvement plan, the Chicago Park District will hold a minimum of 10 community meetings to solicit public comment connected with the development of the capital improvement plan.
