In 2008, The Tiffany & Co. Foundation awarded Parkways Foundation a $1.25 million grant for the transformation of Grant Park's south rose garden into a formal garden and event space adjacent to Buckingham Fountain. Visitors to the garden, which was designed by Douglas Hoerr of Hoerr Schaudt Landscape Architects, will process down a ceremonial promenade bordered by an abundance of colorful blooms, hanging vines, and shaped evergreens.

Visitors to the garden will be surrounded by nearly 12,000 plants, including 270 blooming trees and shrubs, 95 cascading vines, 3,000 spring bulbs, and 7,600 annuals and perennials with white, soft pink, burgundy, purple and silver blossoms.

The garden highlights views of the city's most beloved treasures: Buckingham Fountain, Lake Michigan, and the stunning view of Museum Campus.

Wedding Ceremonies (Commemorative Event) in Garden

There are two different levels of Commemorative Permit for our Tiffany Garden. Level 3 allows you two hours (including set-up and tear-down), and Level 4 allows you four hours (including set-up and tear-down). Event features allowed for Levels 3 & 4 are chairs, 1 trellis, amplified sound, and small tents (15’x15’ or smaller) and risers, but no food or beverage is allowed. General Liability Insurance is required for both levels (please contact the Park District if you need a recommendation). More information including the fees can be found in the 2014 Special Event Permit Application, especially on pages 17.

Please note that the Commemorative rates and some policies/procedures for the Tiffany Celebration Garden (Levels 3 & 4) are different than the Commemorative rate for any of our other gardens (Levels 1 & 2).

Basic electrical access is available at the North and Central spaces of the Tiffany Garden.

Availability is not given prior to receiving an application for Commemorative Events. To begin the process, an application along with the $35 non-refundable Application Fee must be remitted. Applications are processed in the order received, and you will be contacted if your time/date/location is available and what fees/documents/etc are required in order to secure a permit.

For approved vehicles, you may be given a limited number of delivery passes to allow vehicles to drive on the Park District pathways to deliver items.
